

## How to access WiFi on the 7<sup>th</sup> floor

Access theMART's new, complementary WiFi in three simple steps:

**Select > Connect > Accept**

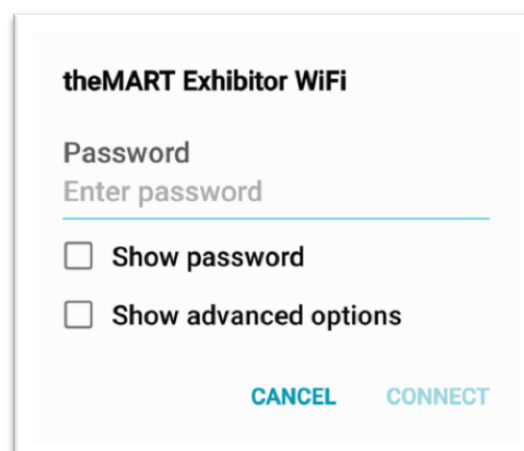

### Step 1

Turn on your device's WiFi and select "theMART Exhibitor WiFi"

### Step 2

Enter the password **oak2017** and hit "Connect"

### Step 3

Read theMART's "**Guest Wireless Access Acceptable Use Policy**"

- Users must respect the privacy and intellectual property rights of others.
- Users must respect the integrity of our network and any other public or private computing and network systems.
- Use of the Guest Wireless Network for malicious, fraudulent, or misrepresentative purposes is prohibited.
- The Guest Wireless Network may not be used in a manner that precludes or hampers other users access to the Guest Wireless Network or other any other networks.
- Nothing may be installed or used that modifies, disrupts, or interferes in any way with service for any user, host, or network.

Continue to the Internet

POWERED BY

 Meraki

If you agree to comply with the policy select "**Continue to the Internet**"

\*Each session has a maximum bandwidth allocation of 2 MBs (at one time). This is sufficient for web browsing, email, and some streaming media. Should you feel that you may require more bandwidth, please contact Michael Pritchett, VP of IT at theMART, at [mpritchett@themart.com](mailto:mpritchett@themart.com), to discuss other options.
