
EMPTY CONTAINER STORAGE

Due to City of New York Fire Ordinances, packing materials may not remain on the show floor while the show is open. Flammable containers must be removed from the floor.

When your containers are empty, obtain "EMPTY" labels from the Exhibitor Service Desk. Use the labels to mark your crates, boxes and containers with your company name and booth number. Leave the containers in the aisle; for your convenience, these empty labeled containers will be picked up by MMPI staff and returned to you at the end of the Show. Please remember that you will not have access to these containers during the show.
