## ***Union Regulations***

### **NEW UNION REGULATIONS**

Union labor will be required for certain aspects of your exhibit handling, **including installation and dismantling of all systems furniture.**

Exhibitors may set up their exhibit display up to 600 square feet if full-time employees can accomplish the task without the use of a ladder over 6ft tall. Labor can be ordered through CompleteXPO by completing and returning the Display Labor Order form.

**Carpenters are not permitted to work at the Pennsylvania Convention Center!**

For booths that are 600 square feet or larger, you may have your own employee/installer work with members of the IATSE Union Local #8, on a ratio of two (2) local union members to one (1) company employee. Keep in mind your personnel must have specific knowledge of your product.

If it is essential to use installers for your set-up, please call (312) 527-7587  
E-Mail: [scamargo@mmart.com](mailto:scamargo@mmart.com) for ratio clarification.
